Returning Team Captains

It is easier than ever to register for the Walk for Wellness House and bring back your team from last year.

You can see a video tutorial here.

1. Visit walk.wellnesshouse.org

2. Click on register at the top of the page, select **start a team from** the drop down menu.

3. Login using your username/password from last year. If you don't remember it, use the link below the login to have the information emailed to you. You must use the same email address you used last year. You must be logged in to bring back your team from last year.

Returning Team Captains

4. Once you’ve logged in, you will have the option to bring back your team. Click on “Bring Back [Team Name]” and complete the registration process.

5. Once you’ve registered and logged into your participant center (if you need help with this, please view this written guide or video guide), you will have the option to select the event. Be sure to choose the current event. In there you can customize your personal and team pages as well as send emails (instructions in guide). Please note that your page will have all the edits you made in the prior year. You can leave it the same or update it with new text and photos. All of your contacts from prior years will carry over and appear in your contact list.

In celebration of the 30th anniversary of Wellness House, we have a couple of changes for this year’s Walk to maximize the impact of this very special event. This year’s registration fee is $30 for ALL participants, and we are encouraging participants to raise $300 rather than $250 to receive the Wellness House sweatshirt incentive.

These changes will allow more of the registration fee for each participant and Walk fundraising to go toward the life-changing programs and services that Wellness House provides for people impacted cancer, always at no cost.

If you need help, please don’t hesitate to contact us at 630-654-5112 or walk@wellnesshouse.org
