Dear Friends and Family,

I have decided to participate in the Walk for Wellness House, which will now be a Virtual Walk taking place on June 28, 2020.

Since 1990, Wellness House has been preparing and empowering people to fully live life with cancer and beyond. They use a psychosocial approach addressing the whole person and offer a variety of programs for those individuals with a cancer diagnosis, as well as their caregivers and family members. The current COVID-19 pandemic has not stopped Wellness House from providing life-changing programming...all programs are now delivered online so that people can access them from the comfort and safety of their homes.

Wellness House has been doing this important work for 30 years. They are able to offer these critical services at no cost to those affected by cancer thanks to generous support from people like us. This cause is very important to me, and I have signed up for the Walk for Wellness House to show my support.

It is faster and easier than ever to support this great cause by making your tax deductible donation online using the link below. If you would prefer, you can mail your contribution to the address listed below.
